

# D.C. DIVAS-DCC DIVAS CHAMPIONS CLUB

Dear Prospective DCC Member,

In 2001, I was the sports director at WJLA ABC 7. We told the story of the Divas' first home game and win in franchise history. By 2004, I had become the general manager, and in October of 2018, became the team owner.

In my 19 seasons with the D.C. Divas, I have witnessed an incredible family develop that has also become a force both in the community and on the football field. Each year, there are inspiring stories of individual and team growth that have led us to develop a hashtag #that'swhatDivasDo. It's one way to illustrate the extraordinary accomplishments of these real-life wonder women.

Our mission is to pursue excellence on and off the field and to create a positive and empowering environment for women. Our focus is on our football family and the greater community that we serve. We provide an enduring example to the next generation of young girls and women that they can be anything they want to be.

It's been an incredibly positive journey, one that is ongoing to this day. Your generous financial support will help ensure that our mission continues to flourish.

Go Divas!
